AKERS & ARNEY WELCOMES AGENT JONAS ARJES

Branson, Missouri – Jonas Arjes has joined Akers & Arney insurance of Branson as a Corporate Account Executive, according to company President and CEO David Arney. Earlier this year, Arjes received his Missouri insurance license, and later this month will complete an intensive training program called The Risk Reduction Approach™ presented by the Sitkins Group, Inc. of Fort Myers, Florida. Arjes handles all types of business policies as well as corporate employee benefits programs.

“Jonas brings a lifetime of business experience to our company and our clients,” according to Arney. “His hands-on experience in operations and management along with his understanding of the Branson area business community make him a wonderful asset. We’re delighted to have him on board.”

In 1974, Arjes emigrated from Sweden to Branson, where he graduated from Branson High School in 1987. He attended Missouri State University and received a Bachelor of Science degree in Administrative Management in 1991.

“Growing up, I helped in the family restaurant business in Branson and later went on to own my own franchise restaurant on Hwy. 76,” Arjes said. “I’ve pretty much done it all when it comes to managing a business. My goal at Akers & Arney is to help other business owners ultimately become more profitable and stable,” he said.

To arrange an appointment with Arjes, call Akers & Arney at (417) 334-5115 or email Arjes at jarjes@akersandarney.com.
